**COMPLAINT FOR DECLARATORY JUDGMENT TO
DETERMINE THE VALIDITY, EXTENT OR PRIORITY OF CERTAIN LIENS**

Plaintiffs Debtors White Star Petroleum, LLC (“WSTR”) and White Star Petroleum II, LLC (“WSTR II” and, together with WSTR, “White Star”) respectfully allege as follows:

Nature of the Proceeding

1. White Star brings this action to determine in a reasonable and efficient manner the validity, extent, and priority of nearly 2000 mechanics and materialmen’s liens (the “M&M Liens”) asserted over certain White Star properties by 78 different claimants named as defendants in this adversary proceeding. The face value of the asserted M&M Liens totals approximately \$28.5 million but much less is likely required to be paid in full under the circumstances. This action will permit the resolution of certain threshold issues common to M&M Lien Claims and facilitate administration of the Debtors’ estates and distributions to creditors under a chapter 11 plan.

2. The M&M Liens can be divided into three groups. *First*, certain of the M&M Liens are senior to the liens, mortgages, or other security interests (“RBL Liens”) securing the Prepetition RBL Credit Agreement (as defined below). *Second*, on the other hand, many of the properties on which the M&M Liens are asserted were previously encumbered by validly perfected RBL Liens and are thus junior to the RBL Liens. *Third*, certain of the M&M Liens are invalid for failure to comply with the requirements of 42 O.S. § 144 and 42 O.S. § 146.

3. Once the determination is made as to which of the three groups the M&M Lien belongs, the secured recovery, if any, on allowed M&M Lien Claims against Plaintiffs secured by valid M&M Liens must be limited to, at most, the purchase price paid and allocated to the properties securing such valid M&M Liens by the purchaser of substantially all of the Debtors' assets, Contango Oil and Gas Company ("Contango").

4. A determination as to which of those three buckets each M&M Lien resides will permit and facilitate the resolution of the many pending M&M Lien Claims relating to the asserted M&M Liens. This is necessary to permit the Debtors to reconcile and resolve claims, and streamline the administration of the estates and these chapter 11 cases. Doing so through this adversary proceeding will ensure that the Debtors' limited net sale proceeds are not unduly dissipated in a morass of unnecessary and burdensome litigation with respect to each individual M&M Claimant holding junior, invalid or valueless liens.

5. Accordingly, Plaintiffs seek through this action declaratory judgment determining and establishing (i) which of the M&M Liens are senior in priority to the RBL Liens; (ii) which of the M&M Liens are junior in priority to the RBL Liens; (iii) which of the M&M Liens are invalid for failure to comply with 42 O.S. § 144 and 42 O.S. § 146; and (iv) that the Allocated Purchase Price (as defined below) shall be binding for purposes of determining the amount of secured recovery, if any, on M&M Lien Claims.

Jurisdiction and Venue

6. The Court has jurisdiction pursuant to 28 U.S.C. §§ 157 and 1334 and rule 81.4(a) of the Local Civil Rules of the United States District Court for the Western District of Oklahoma. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). This Court also has jurisdiction to grant the relief sought herein pursuant to the Federal Declaratory Judgment Act, 28 U.S.C. § 2201, *et seq.*

7. Venue is proper pursuant to 28 U.S.C. §§ 1409.
8. Pursuant to Bankruptcy Rule 7008, Plaintiffs consent to entry of final orders or judgments by this Court.

Factual Allegations

92. On May 28, 2019, each of the Debtors filed with the United States Bankruptcy Court for the District of Delaware a voluntary petition for relief under title 11 of the United States Code, 11 U.S.C. *et seq.* (the "Bankruptcy Code"). These chapter 11 cases were

transferred to the United States Bankruptcy Court for the Western District of Oklahoma on June 20, 2019, and are being jointly administered as *In re White Star Petroleum Holdings, LLC, et al.*, Case No. 19-12521 (JDL) (the “Chapter 11 Cases”). On July 3, 2019, WSTR’s voluntary case was consolidated into the involuntary case that was filed on May 24, 2019. The petition date (the “Petition Date”) for WSTR is May 24, 2019, and for WSTR II is May 28, 2019.

93. The Debtors are party to that certain prepetition Revolving Credit Agreement, dated as of June 30, 2016 (as may be amended from time to time, the “Prepetition RBL Credit Agreement”), among WSTR, as borrower, WSTR Holdings, WSP Finance and WSTR Operating, as guarantors, the lenders from time to time parties thereto (the “Prepetition RBL Lenders”), and MUFG as administrative agent and collateral agent (in such capacity, the “Prepetition RBL Agent”).

94. Pursuant to the Prepetition RBL Credit Agreement and related security documents, the Debtors granted the Prepetition RBL Lenders liens in the “Prepetition RBL Collateral” including certain oil and gas well properties in Oklahoma, subject and subordinate only to certain “Permitted Liens” (both as defined in the Prepetition RBL Credit Agreement).

95. Following the execution of the Prepetition RBL Credit Agreement on June 30, 2016, the Prepetition RBL Agent perfected the security interest granted by the Debtors in the Prepetition RBL Collateral by, among other things, recording mortgages and filing UCC financing statements with respect to real property interests in ten counties in Oklahoma. MUFG also filed UCC financing statements with the Oklahoma County Clerk and the Delaware Secretary of State on June 30, 2016 with respect to WSTR’s obligations.

96. On March 16, 2017, WSTR II executed supplemental documents to join as a guarantor under the Prepetition RBL Credit Agreement, and granted the Prepetition RBL Lenders

and Prepetition RBL Agent corresponding liens on its assets, which were perfected, on or around that date, through the recording of mortgages and filing of UCC financing statements with respect to real property interests by MUFG in approximately three counties in Oklahoma and the filing of a UCC financing statement with the Oklahoma County Clerk.

97. Subsequently, additional mortgages were recorded from time to time by the Prepetition RBL Agent over additional oil and gas real estate properties of WSTR and WSTR II in order to maintain mortgages on assets representing the “Collateral Coverage Minimum” of the Debtors’ total “Borrowing Base Properties” (both as defined in the Prepetition RBL Credit Agreement), as provided for in the Prepetition RBL Credit Agreement.

98. The RBL Liens constitute valid, binding, enforceable and perfected liens in and to the Prepetition RBL Collateral, and are the basis for the RBL secured claims asserted in the Chapter 11 Cases (the “RBL Claims”).

99. On July 23, 2019, this Court entered in the Chapter 11 Cases the *Final Order Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, 506 and 507, (I) Authorizing the Debtors to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing the Use of Cash Collateral, (IV) Granting Adequate Protection, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Bankr. Doc. 328] in Case No. 19-12521-JDL (the “Final DIP Order”). The Court so-ordered certain Debtors’ stipulations with respect to the Prepetition RBL Collateral as set forth and on the terms contained in paragraph H of the Final DIP Order.

100. 75 of the 78 M&M Claimants have asserted one or more claims against one or more Debtors (the “M&M Lien Claims”) purportedly secured by the M&M Liens.

101. Pursuant to 42 O.S. § 144, the M&M Liens “are effective and have priority from the date of the furnishing of the first item of material and the date of the performance of the first labor.” *Reeves v. Jenkins*, 439 P.2d 941, 944 (Okla. 1968); *see* 42 O.S. § 144. Furthermore, 42 O.S. § 146 provides that the notice of the lien required to be filed in the office of the county clerk as to liens created pursuant to 42 O.S. § 144 “shall be filed within one hundred eighty (180) days after the date upon which material, machinery or suppliers were last furnished or labor or services last performed under the relevant contract or subcontract, whichever the case may be.”

102. Attached as Exhibit A hereto, and incorporated by reference, is a list identifying the M&M Liens where the date of the furnishing of the first item of material or the date of the performance of the first labor on the property the M&M Lien is purportedly secured by is prior to the date of perfection of the applicable RBL Lien on the same property (the “Senior M&M Liens”).

103. Attached as Exhibit B hereto, and incorporated by reference, is a list identifying the M&M Liens where the date of the furnishing of the first item of material or the date of the performance of the first labor on the property the M&M Lien is purportedly secured by is after the date of perfection of the applicable RBL Lien on the same property (the “Junior M&M Liens”).

104. Attached as Exhibit C hereto, and incorporated by reference, is a list of M&M Liens that are invalid for failure to comply with the requirements of 42 O.S. § 144 and 42 O.S. § 146 (the “Invalid Liens”).

105. On September 30, 2019, the Court entered in the Chapter 11 Cases the *Order Authorizing (A) The Sale of the Debtors' Assets Free and Clear of Liens, Claims, Interest and Encumbrances and (B) the Assumption and Assignment of Certain Executory Contracts and*

Unexpired Leases in Connection Therewith [Bankr. Doc. 657] (the “Sale Order”), which authorized the Debtors to sell substantially all of their assets to Contango for a purchase price of \$132.5 million (the “Purchase Price”), subject to customary adjustments, on the terms set forth in the relevant transaction documents.

106. Pursuant to the Sale Order, the Debtors “will establish a reserve (the ‘M&M Lien Reserve’) for distribution on account of claims (‘M&M Lien Claims’) purportedly secured by mechanics and materialmen’s liens on the Purchased Assets (‘M&M Liens’).” (Sale Order ¶ CC.) The Sale Order also provides that the “M&M Liens will attach to the funds in the M&M Lien Reserve in the order of their priority, with the same validity, force and effect which they now have against the Purchased Assets, subject to any Liens, rights, claims and defenses the Debtors, DIP Lenders or Prepetition RBL Lenders may possess with respect to such Liens.” *Id.*

107. Pursuant to Section 6.10 of the Asset Purchase and Sale Agreement among WSTR, the other Debtor parties thereto and Contango, Contango’s purchase price was allocated by property (referred to as a “well”) as set forth on Exhibit D to that agreement (the “Gross Allocated Purchase Price”). The Gross Allocated Purchase Price represents the amount of the purchase price, subject to downward adjustment by property for amounts controlled by the Debtors in suspense that are attributable to each property, that Plaintiffs are receiving for each well, and therefore establishes the relevant portion of the purchase price available to satisfy outstanding claims asserted over and secured by each property (the “Allocated Purchase Price”).

108. Attached as Exhibit D hereto, and incorporated by reference, is a list of White Star’s wells and the total Allocated Purchase Price for each such well.

109. The Debtors remain within their statutory exclusivity period provided by section 1121 of the Bankruptcy Code and intend to soon file a plan. Among other things, the plan

will address the treatment of the M&M Lien Claims and RBL Claims according to their relative priority, validity, and the amount available for distribution with respect to the properties upon which they are asserted.

110. Accordingly, Plaintiffs bring this action for a determination of the validity, extent and priority of the M&M Liens as a justiciable controversy exists regarding the priority of such liens and the amount available for distribution on allowed senior M&M Liens for purposes of classification and treatment of claims under the forthcoming chapter 11 plan.²

111. The Debtors reserve all rights with respect to the allowance and priority of any and all M&M Lien Claims, including to file objections as appropriate.

² Indeed, M&M Claimants Baker Hughes and MS Directional have already filed adversary proceedings with respect to certain of the M&M Liens seeking declaratory judgment as to the validity and priority of such liens. [See Bankr. Doc. 498, 499, 500, 501, 502, 503, 504, 505, 512 & 574.] Those actions demonstrate the need for this Court to address common threshold issues in an omnibus manner.

the same property, and shall be so treated for all purposes in the Chapter 11 Cases, including claims allowance, priority, and any chapter 11 plan.

Count II

Declaratory Judgment that M&M Liens of the M&M Claimants With Effective Dates After the Priority Dates of the Relevant RBL Liens are Junior M&M Liens

116. White Star re-alleges and incorporates by reference the allegations contained in paragraphs 1 through 115 of this Complaint as if fully set forth herein.

118. Each of the M&M Liens set forth on Exhibit B hereto is a Junior M&M Lien.

119. Accordingly, Plaintiffs are entitled to declaratory judgment that each of the M&M Liens set forth on Exhibit B hereto is junior in priority to the corresponding RBL Liens on the same property, and shall be so treated for all purposes in the Chapter 11 Cases, including claims allowance, priority, and any chapter 11 plan.

Count III

122. Each of the M&M Liens set forth on Exhibit C hereto is an Invalid Lien.

123. Accordingly, Plaintiffs are entitled to declaratory judgment that each of the M&M Liens set forth on Exhibit C hereto is invalid for failure to comply with the requirements of

42 O.S. § 144 and 42 O.S. § 146, and shall be so treated for all purposes in the Chapter 11 Cases, including claims allowance, priority, and any chapter 11 plan.

Count IV

Declaration that M&M Liens are Secured by a Maximum of the Allocated Purchase Price

124. White Star re-alleges and incorporates by reference the allegations contained in paragraphs 1 through 123 of this Complaint as if fully set forth herein.

126. The Allocated Purchase Price for each of White Star's wells is set forth on Exhibit D.

127. Accordingly, Plaintiffs are entitled to declaratory judgment that the secured claim recovery, if any, on each of the M&M Liens is limited to the Allocated Purchase Price on the property over which such M&M Lien is asserted for all purposes in the Chapter 11 Cases, including claims allowance, priority, and any chapter 11 plan.
